

This is a link
Paul Burnell

This**ssssssssssssssssssss**

Thhhhhhis, is a link

This is a link between that and **this**

This is a link between things that were then and things that are **now**

This is a link between those that have gone and those that are still going **on**

This is a link between time that's been spent there and time that is being spent **here**

This is a link between events that have really taken place and events that are really taking their **place**

This is a link between the stuff that went on just before us and the stuff that just keeps on going on and on and on before **usssssssssss**

Thhhhhhat, was a link
